

Repeated Addition Array Directions

My Repeated Addition Sentence: _____

Due date: _____

Directions:

1. Using the attached piece paper, create an array for your repeated addition sentence.
2. Make sure your array is arranged neatly in rows and columns, and forms a rectangle.
3. Be creative! Choose items that can easily be attached to the paper. Examples include stickers, food items, or small trinkets.
 4. Record your:
 - Your name
 - **Date**
- A repeated addition sentence for your array

My Repeated Addition Array
